

GOOD DESIGN

Alignment

The repetition of Jake Gyllenhaals, each posing in a the same direction, suggest conformity, but also a diminishing aspect of character.

JAKE GYLLENHAAL

Proximity

The repetitive line, interrupted by vastly opposed faces and directions of gaze lead the viewer is given a pshcyological insight into an expected inner turmoil of the character.

Contrast

The large contrast created by the different shades of red and the black and white, grants the viewer a glimpse into the harsher, more violent aspects of the film.
